

LIFE GROUP GUIDE

Message Title: Relational Intelligence

Date: March 12, 2023

QUESTIONS

Read 1 Kings 16:29-33.

You do not have to be a personal friend to a spiritual demon.

1 The four main people in this passage are Ethbaal, Ahab, Jezebel and Elijah. What did each stand for? How is the character of the first 3 in opposition to Elijah's character?

2 How have you related to Elijah in your life?

Tolerance is in direct opposition to repentance.

3 What is the Holy Spirit speaking to you through this message? Is there something you are tolerating that is in opposition to God or an area He is calling you to take a stand?

4 How do you stay connected to culture without giving in to culture?

GOING DEEPER

Let's go back to Elijah's experience. Do you feel defeated? Do you look at the direction of some of the churches, the country, and think, "How will we ever prevail?" God's not finished with us! Take some time this week to connect upward, inward, and outward.
